FAKHRIZUL AMRI
-- *Web Developer* --

amrifakhrizul@gmail.com   081283261063   Pekanbaru, Indonesia

Summary

My name is Fakhrizul Amri, also usually called Amri, I am a web developer who is highly dedicated in the field of Full Stack Web. The beginning of the journey starts from the basics of HTML, CSS, and JavaScript. Then take the PHP route with the Laravel framework and using a MySQL database. Apart from that, I also went through React Js and Next Js as JavaScript frameworks in the Front End section.
